

LII

"Y'know, I'm really gonna start to get used to bumming meals off other people," Raizo chuckled as Marie placed a plate of fresh curry before him. "What do you mean?" she inquired. "It can't be that bad, right? Suck it up. You're a man."

"I don't think it's because the young miss doesn't know how to cook," Raizo sighed, "but she seems to get off to making me eat garbage for meals. I mean, there's been a raw slice of pork, a rotting cabbage, half a frozen tomato, and...oh boy, let's see here—oh, these were each *separate* meals, by the way."

"O-oh my God. I...I'm so sorry. Please don't ever eat any of that, it's as good as poison," Marie gulped.

"You sure changed your mind fast," Chinatsu laughed. "Although...*curry*? Really? We'll have to wait for a bit after eating until we can play our little *game* together..."

"That's the point," Marie snapped.

"Oh, you're no fun," Chinatsu pouted.

"And you're about a year and a half away from becoming a wizard," Marie retorted.

"Which is why we've gotta change that today!" her owner cried.

"Uhh, not we. It's just *you*. I lost my virginity long before I died," Marie replied matter-of-factly. "To be specific, I was a meager 16—"

"That's...pretty normal actually," Raizo commented.

"Oh. How disappointing," Marie shrugged.

"FUCK! Just how *abnormal* am I?" Chinatsu complained.

"When I was 16, I was dating this one guy," Marie explained, "and he insisted on trying it. As it turns out, it was a rather regrettable ordeal. Wasn't worth it. We broke up a few months afterwards, actually." She laughed. "But as for you, Chinatsu, you were busy dropping out of school, weren't you?"

"Oh, shut up," Chinatsu groaned. "You want me to regret all that *now*?"

"I want you to regret trading your sanity for danger money," Marie answered.

"Well, too bad. I can control myself now, so who cares?" Chinatsu sighed.

"Wait, so...that's why you're the one managing my treatment?" Raizo cried.

"Hmm? Oh, yeah," Chinatsu nodded. "Aside from appealing to the principal that can I do the treatment thanks to my personal experience, the administration didn't wanna hire some sketchy person onto campus for *one* student."

"She even went along with the principal's goth loli fetish for a day to get approval," Marie added.

"HEY!" Chinatsu screeched. "L-listen, I didn't go *that* far for *you*, alright? I just felt bad for Oki and her stupid ass!"

"Since when were you a tsundere?" Raizo inquired.

"B-but...I'm not! I just...want onii-chan's approval," Chinatsu replied, slightly raising the pitch of her voice.

"Sorry, but I'm not into that sorta thing," Raizo informed her flatly.

"Damnit," Chinatsu mumbled.

"Could you two please just eat before your lunch gets cold?" Marie asked.

Satomi sighed. For the past hour, she'd been squatting and holding a glass cup to the door of Chinatsu's room and pressing her ear against it, trying to listen in on what was happening. However, the few sounds she could make out were all parts off idle conversation or the sounds of eating.

"Maybe I'm overthinking this," she mumbled.

As she stood up and dusted herself off, she heard footsteps approaching the dorm room. "Oh, shit!" she cried, running all the way down the hall away from the footsteps and turning a corner.

"Now, it's finally time for dessert," Chinatsu laughed, unbuttoning her top. Her formal suit was soon lying on a nearby sofa along with her unbuttoned dress shirt. She tossed her tie aside as well before pressing her bare skin onto Raizo. "Just relax, okay?" she giggled playfully.

"You're overdoing it," Marie commented as she took off her lab coat and folded it neatly. Then, beginning to unbutton her shirt, she smiled. "You two can get started first though."

"Calm down," Raizo said, placing his hands on his teacher's tiny frame. "You probably already know this, but I've done this before."

"Alright then...then guide me," Chinatsu replied, blushing. "I'm yours."

"Leave it to me," Raizo smiled. Picking her up, he brought her from the dining table over to an open sofa and laid her down. He ran a finger along her right thigh, feeling the smooth fabric of her stockings before stroking her soft, pale thigh itself. "Y'know, this underwear doesn't suit your body," he muttered, "but I guess it's okay for your age."

"I told you black lace would look weird," Marie snickered.

"Shut up," Chinatsu pouted, "it looks fine. And besides, you can imagine that you're banging a petite—"

"Don't say it," Marie complained. "It's weird." Having finished undressing, she sauntered over to Raizo's side in her underwear and unbuttoned his school uniform, slowly taking it off. Moments later, all three of them were undressed. Raizo sighed. *I really need to stop doing this sorta thing*, he told himself. *But...fuck it, one last time should be fine*. Undoing Chinatsu's bra, he gently pinched her nipples, causing her to moan softly.

"Give her a taste already," Marie laughed, reaching down and pulling his dick out of his boxers. "Oh, not bad," she said. "It's pretty bulky." Turning to her owner, the puppet smiled. "Now, kiss it, Chinatsu. Just the tip..."

Obedying the puppet, Chinatsu leaned forward and planted a little kiss onto the tip of Raizo's penis.

Oki Ueno stood at Chinatsu's door. "Hmm...she won't let me in, so I guess it's time to finally use this extra key I had prepared!" she declared to herself. Unlocking the door. She marched in. "Ya-ho!" she giggled.

"WHAT THE FU—GET OUT!" Chinatsu cried, covering her chest instinctively. "HOW DID YOU GET IN HERE?"

"I had an extra ke—oh my," the principal mumbled. "Uhh...well, please excuse me then," she said, slamming the door shut. "OMIGODOMIGODOMIGOD!" she squealed.

"She...didn't react as badly as I expected," Marie muttered.

"Thank God," Chinatsu sighed. "I...I'm sorry about that."

"Don't be," Raizo sighed. "I don't think you could've stopped her either way. For now though," he said, "just open your mouth a bit more."

Obedying him, Chinatsu widened her mouth a bit and fully accepted her lover's member inside of it. Almost instinctively, her tongue curled around it, gently wringing it out. She moved her hands to push her modest breasts together in an attempt to sandwich his dick between them, pressing her tender nipples against it.

"Not bad," Raizo chuckled. *Although I'm more used to the boobs wrapping AROUND it, he thought, but maybe that's thanks to Satomi...*

He slowly thrust his penis into the petite girl's mouth as she passionately sucked on it. Marie sighed. "God, you're getting me all messed up," she mumbled, pressing her breasts onto Raizo's back. "As least give me a kiss or something..."

Raizo brushed Chinatsu's hair aside before pulling his member out off her mouth. "Hold on," he said, getting up. Moving lower, he pressed it against the opening of her vagina. "Can I continue?" he asked.

Chinatsu nodded. "I'm all yours," she said.

Raizo smiled. "Here I go then," he said, pressing it forth gently. *Damn, it's tight!* he thought. Pushing forward slowly, he noticed the tiny girl before him slowly fall into a state of ecstasy, completely ignoring the blood from her torn hymen.

"Oh, quit making me jealous," Marie complained.

"Sorry," Raizo chuckled. "Come here," he said, placing his hand on the puppet's chin and bringing her close for a deep kiss as he made one final thrust forward, pressing his dick against the opening of Chinatsu's womb. As he began to slowly move it back and forth, he heard her voice escaping uncontrollably. Raizo placed a hand on her shoulder to hold her in place as he continued thrusting, moving his other hand onto Marie's chest as he squeezed it gently.

"W-wait, I feel something strange coming," Chinatsu cried.

"Let it all flow out, mistress," Marie said. "Relax and let it happen."

"Damnit, it's too tight...I think I'm gonna cum too," Raizo sighed.

"Let it out inside of her," Marie whispered. "Let this slutty girl enjoy her crush's love nectar..."

Raizo nodded. "Chinatsu, I'm gonna fill you up, got it?" he said.

Chinatsu nodded. "Make me...yours," she said between moans, "both now...and forever..."

The two gripped each other tightly as they climaxed together. Chinatsu felt her muscles tightening as she orgasmed. "O-oh my...w-w-what is this?" she cried. "It's so...wonderful..."

"Not bad," Marie said as Raizo pulled his member out of Chinatsu's body, causing a thick white fluid to slowly flow out. "Think you can go again?"

"Let's find out," Raizo replied calmly, gripping Marie's chest more intensely. They kissed again as he pushed her down onto the sofa. "You've done this before, so I'll be a little rougher, got it?" he asked.

Marie nodded. "Go ahead," she said.

Thrusting into her, Raizo immediately felt himself wrapped in her warmth. *It's not nearly as tight as Chinatsu's was...but damn, these folds are virtually massaging my dick...*

Marie wrapped her legs around her partner's waist. "Just let it out whenever you're ready," she said, her speech beginning to become slurred. "I...just came..."

Raizo began to speed up his thrusts. "Then it should be fine if I make you cum again," he muttered. "Two or three times usually won't kill you."

"Hey, Raizo...kiss me," Chinatsu pleaded.

"Chinatsu, let me ask you this now," Raizo said, planting a passionate kiss upon her lips. "You and Marie...I want both of you to be mine...so will you?"

"Oh dear, expanding the harem, are we?" Marie laughed between her moans. "Well, I don't mind at all...let's go all the way..."

"Well, you've already cum inside of me, so I suppose you should take responsibility," Chinatsu mumbled, "so yeah...let's be together from now on," she agreed, returning his kiss.

Marie placed her hands on her lover's shoulders as the two of them climaxed together. Collapsing into his chest, she heaved slow, deep breaths. "I love you," she whispered.

"I love you too, Raizo," Chinatsu said, hugging him.

"Yeah," Raizo nodded. "I love both of you."
