

IX

Kasumi lay down on the bed, her bare body exposed to her lover's touch. Her golden eyes glowed in the color of the rays of sunlight shining in through the window. It was early afternoon and the sun was high in the air, and yet she wasn't willing to wait until nightfall to begin.

Raizo leaned over her, his hands rubbing her exposed stomach slowly. Moving up, he gave her breasts a gentle squeeze, causing her to moan quietly. Almost instinctively, Kasumi reached out and grabbed his shoulders, clinging to him with a firm but soft grip. Leaning over to her, Raizo pressed his lips against his lover's, and the two kissed passionately for a few seconds: a few moments that they wished could last for all of eternity.

Pulling away reluctantly, Kasumi stroked Raizo's chest slowly and massaged his arm with her free hand. Raizo leaned over to her chest, sucking on her right breast. Kasumi giggled. "Hubby's...like a baby..." she whispered.

"That so?" Raizo asked with a light chuckle, pulling away for a moment. "Well, don't mind me too much then," he said, returning to sucking her breast. Kasumi, still smiling, ran his fingers through his hair as he continued. "Hubby...I want you..." she murmured.

Raizo, pulling away once more, smiled at her. "Let's begin then," he said, giving her butt a little squeeze. He repositioned himself as Kasumi spread her legs and closed her eyes. "P-please be gentle with me...hubby..."

Raizo nodded. "Just tell me if it hurts, and I'll take it out immediately, okay?" he asked.

"I can...I can take the pain...if it's for hubby I can do it for sure..." Kasumi assured him, a smile forming on her face.

In response, Raizo, placed the tip of his throbbing dick against her vagina's opening. "I'm going to start," he said. Seeing Kasumi nod, he slowly pushed his member into her body. Kasumi bit her lip as it entered her body. She gripped the bedsheets as a drop of blood leaked out, signaling the loss of her virginity.

"Does it hurt too bad?" Raizo asked, stopping.

"N-no...this is normal, hubby...don't stop...don't stop right when you're almost completely inside..." Kasumi said.

"Alright, if you're sure," Raizo answered reluctantly. "This may hurt a little, okay?"

"Alright," Kasumi answered.

With a single thrust, he pushed his member all the way in. Kasumi's fingers dug into the sheets as she felt her lover's penis strike her cervix. The strangely human sensation, something she hadn't felt in a long time, was refreshing and distinct. She wrapped her arms around him. "M-more," she whispered.

Obliging to his lover's request, Raizo began to move slowly, with the sound of Kasumi's moans filling the air. They continued, his thrusts getting faster and faster

as time went on. "H-hubby...I feel...strange..." Kasumi mumbled, her speech slightly slurred. Suddenly, her vagina tightened. Covering her mouth, Kasumi let out a little squeal.

"Kasumi...you just came, huh?" Raizo asked with a little chuckle. "I didn't expect you to have such a cute reaction though...it makes me wanna tease you more."

"Hubby...I'm supposed to...make *you* cum though, aren't I?" Kasumi asked.

"Don't go worrying about that right now," Raizo said, taking her hand and holding it tightly. "I want you to enjoy your first time...we only get one of these, after all." He once again started thrusting into her as she wrapped her legs around his waist. "I...love you...hubby..." she said quietly.

"Yeah, I love you too, Kasumi," Raizo answered, kissing her. "I'll always love you...so let's cum together this time..."

"Y-yes...let's..." Kasumi replied with a nod.

The couple tightened their grip on each other as Raizo began thrusting faster again. "I...I think I'm cumming again, hubby..." Kasumi mumbled, her face bright red.

"Yeah, so am I..." Raizo answered. The two kissed once more as they climaxed together, bringing an end to their passionate love-making. Pulling his member out of his lover's body and lying down beside her, Raizo sighed. "Let's stay in bed for a few more minutes. I'm sure miss Nakano won't mind too much."

Kasumi nodded. "As you wish, hubby," she replied.

Mariko stood at the door, covering her mouth with her hand. *Wow...I didn't think they would go all the way, she thought. And here I thought...I may still have had a chance...dear God, what am I thinking? I should be happy for Kasumi...but why won't my chest stop throbbing?*

Sighing to herself, Mariko shook her head and stepped away from the door. *Well, in any case, she thought, I should go prepare them their meal. I'm sure the two of them are hungry...*
